9th October 2023

Dear Parents/Carers,

Corstorphine Connections Update – footway widening works near Carrick Knowe PS

Please see below for information I have been asked to share with you regarding the footway widening works and traffic calming to be carried out in the school area in the next few weeks.

- 17 Oct - 26 Oct – widening footways to accommodate the new school streets signs and removal of the existing planters at the same locations – Lampacre Road (2 locations). New sign on Tyler Acre Avenue and removal of the existing planter
- 12 Oct - 13 Nov – widening footways and improving crossings on Saughton Road North area the parade of shops north of Union Park

During these times pedestrians will still have access along each street via a signed route along that street. Parents and carers can find out more details via the project website: [Corstorphine Connections – The City of Edinburgh Council](#)

Kind regards,

Gail Canning
Headteacher
