Thursday 4th June

Dear Parents/Carers,

As you'll be aware, this term Primary 2 will be covering parts of the Relationships, Sexual Health and Parenthood programme and revisiting some parts from Primary 1.

We have attached an overview of what will be covered and have put some useful websites below.

www.carrickknoweprimary.com/RSHP

Our school website contains lots of information about the progression we have in place in the school. There is also a 'terminology' progression, so you are aware of the language we are using with the children.

www.RSHP.scot

This website contains a number of resources and presentations that we will be using when delivering the RSHP programme. When visiting this website, please bear in mind that we may have adapted some of the resources so that they suit the needs of our pupils. We will also not be using every single resource you see on the website.

If you have any further questions, please feel free to contact the school in the usual way.

Yours sincerely,

Gail Canning
