Dear Parents/Carers,

New Books Please

P6A have been learning about how to make a difference in school and have decided to look at the library space and the books that are currently available.

We are organising a special mission to get more books for the school library. We would like for you to please buy or donate a used copy (in good condition please) of any books by the following authors:

- Jeff Kinney (Diary of a Wimpy Kid)
- Rick Riordan (Percy Jackson)
- Katie Kirby (Lottie Brooks)
- Ross McKenzie (The Nowhere Emporium Series)
- Andy Griffiths and Terry Denton (13 Storey Treehouse series)
- Dav Pilkey (Dog Man Series)
- Jamie Smarts (Bunny Vs Monkey, Max and Chaffy books etc)
- Neill Cameron (Donut Squad and other novels)
- Marcus Rashford Books
- Rachael Renee Russell (Dork Diaries)
- A. F. Steadman (Skandar series)
- Liz Pichon (Tom Gates series)
- John Patrick Green (Investi Gators books)

If you buy a new book or donate a used one to the school, we will add your name to a sticker to the book so that everyone knows who it was donated by.

We are looking for current books from current authors, who have been published in the last 5 years, and donations do not have to be just from the authors above. Graphic novels, comics and non-fiction books are also appreciated.

We do not need old, scabby books that are not engaging for children so please don't send these ones in.

If you have a book to donate or would like to buy us a new copy of a book, please place it in the box at the main entrance to the school with your name and class on a post it (post its will be in the box too!)

We really hope that you can help us up-grade our library and are very thankful for all donations.

Kind regards,

Louis, Devanshi and the rest of P6A
